Sept. Treasurer's report: Current Balance of \$22,206.58

I. Old Business

a. Scholarships

Tabled until next time.

Discussion/Action

b. **Dutch Bros. Fundraiser** \$1700.00

Will likely do it annually.

c. **Sports/Club decals**

Graphics Factory. Instead of saying "Go Big Blue", they would say "Volleyball, basketball, etc. They would be .50 a piece. We could sell them for \$5.00. Possible places to sell them would be athletic games, the craft fair, and the student store.

Deanna motions that we order \$100.00 worth of decals for various CHS organizations, and sell them at the craft fair to see how the sales go. Darla seconded it. We'll keep it simple for now. Darla will talk to Cathy Barbie.

d. **5k Walk/Run** Its getting started. Darla will take care of the raffles. We will all sell tickets. John will try and do Packet Pick-up at Reds this year.

e. **Raffle:** Darla makes a motion that we set aside \$500.00 from our budget towards raffle prizes on the night of Safe Grad. John seconded it.

f. **Entertainment:** Discussion as to removing character artists altogether. Deanna motions that instead of doing character artists, we will have games, increase the number of tattoo artists, and include a chocolate fountain. Darla seconded it.

g. **Volunteers:** We can send out an email to our volunteers to participate in Drive One in January.

II. **New Business**

a. **Drive One:** We hope we can get this program for Jan. 2016.

b. **Decoration Theme:** Hollywood

c. 2016 Budget

Karri made a motion that we pass the budget. Jodi seconded it.

d. 5k Walk/Run

III. **Zero Teen Fatalities:** Kevin Moore (Zero Teen Fatalities Coordinator): kmmoore@dps.state.nv.us
Every state has to have a teen driving program. This is mandated by the Federal government. It is directed towards 15-20 Year Olds. 6% if the driving population gets into 14% of the crashes. There is a contest that uses social media such as Twitter and Instagram to get the word out about safe driving habits. Students register to be a part of this. ZTF counts the times that someone hashtags "#stayingundead". They will pay teens up to \$1000.00 (first place last year was from 350 tweets) Second place is \$500.00. Schools can also get money. There is an adult advisor, but it is teen run at the school level. When students register they will get swag. The winning school can get \$5000.00. They have challenges throughout the year. The next one coming up is designing a bulletin board. After this is a PSA 30 second TV commercial that will be aired in Nevada. The program from the winning school does not need to be a teacher. They will take the top 100 students from Northern Nevada to go to driver's ed. at Las Vegas Motor Speedway.

What can ZTF do for us on, or before Grad. Night? They can do lectures, talks, set up a booth, etc. Another idea is to set up a demonstration so that students can try on DUI goggles. We also discussed "Every 15 Minutes" where the Grim Reaper would come to Carson High and pull kids out of class every 15 minutes to represent how many students die from car accidents. There was also a suggestion of doing a DUI Crash simulation at CHS. Mr. Moore is also open to other suggestions in order to help in any way he can.

IV. **Next Meeting: Tuesday, November 10, 2015 @ 6:00pm**

V. **Adjourn: 6:45 pm**
