## **VII. Committees**

- Entertainment – Sent via email from Gina: I won a raffle prize the other night; it's a Dutch bros to go cup with gift card for a drink. I'll donate that to the prizes for the 5k. I'll also be there to help with whatever you need. Just let me know! I have reserved the gaming tables but am going to look at what else they offer because they do have some decorating items too. If I find something I'll figure it in to my budget. I have been talking to bouncin bins which is the company we use for the inflatables. I want to get ultimate rush which is a giant obstacle course, the double basketball and am checking into the bull rider. The bull rider comes with a staff member to run it and I'm not sure what all that entails but am waiting on a return call. They quoted me \$1850 for these three instead of the usual \$1600 that we pay. Hopefully I'll have the info to go forward before the meeting because I'll need to know if I can go forward with the overage. I can take it from another area in entertainment or we can vote if we decide to go forward. I have also reached out to Dept of alternative sentencing for the work program workers (Wendy, maybe you can let Regina know I emailed her), CCSO for trustees and reserves, and the pool. I only heard back from Tom Crawford so far, who runs the reserves. Last month someone said they would check with Benson's on donating straw bales and troughs. I don't know who that was but is there an update? If not I'll follow up.
- Decorations – Gina is working on it.
- Hotel – Follow up with Sheila
- Food Committee – Kyra will take care of checking on drinks, Bobbi will help on food committee and Wendy will check with Susan Guthrie too.
